

PIONEER VIRTUAL TRAINING: ACL Reconstruction

Virtual Orthopaedic Training Modules

SICOTPIONEER
LEARNING MANAGEMENT SYSTEM

SICOT PIONEER VIRTUAL TRAINING PROGRAMME: Anterior Cruciate Ligament Reconstruction

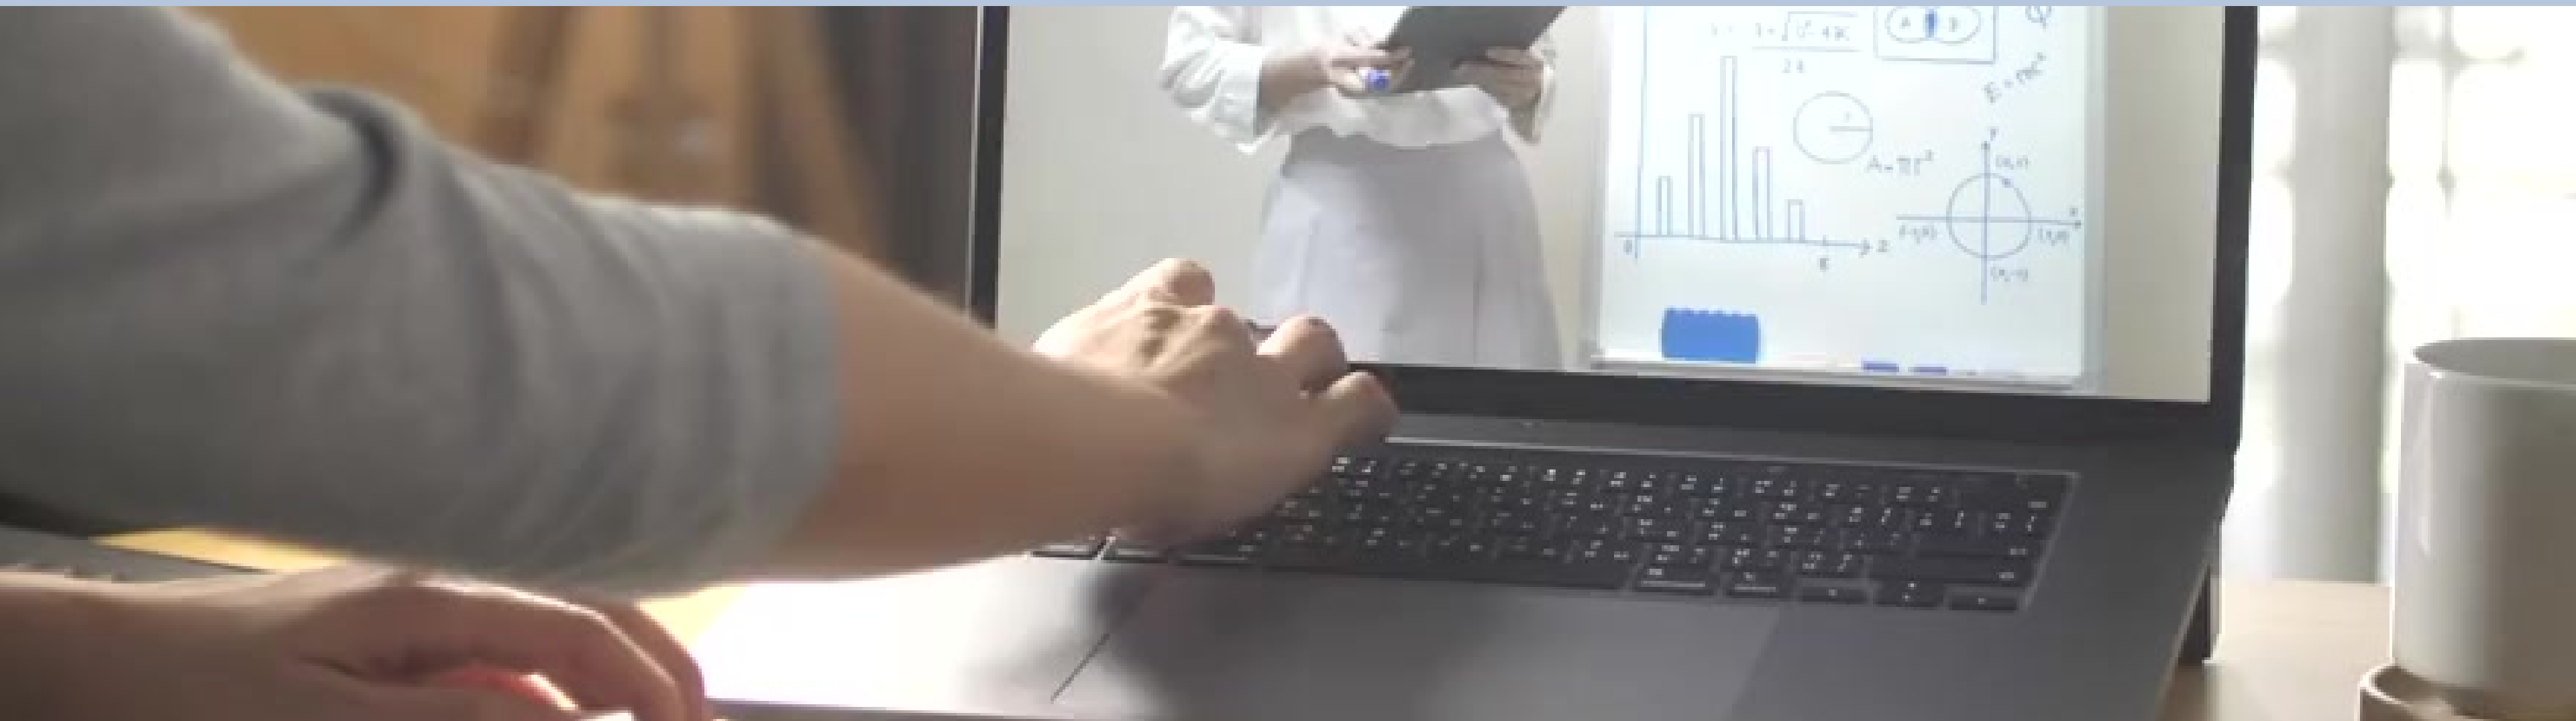

*Unleash your orthopaedic potential with our **6-month virtual training programme** on **advanced ACL reconstruction**, delivered by experienced international faculty!*

Gain real-time knowledge and hands-on skills through interactive lectures, dynamic case discussions, and step-by-step surgical technique videos of ACL reconstruction delivered on weekly basis by the faculty!

*Once 4 modules are successfully completed, you will get the opportunity to visit a prestigious orthopaedic centre for a one-week **travelling fellowship** as part of Module 5.*

Elevate your practice and join us in reshaping the future of orthopedic excellence! Places are limited!
